

Summer 2009

Dear parents,

In order for your child to continue in the Ministry, **St. Pius X Parish requires an updated, signed copy** of the application to be on file.

Please fill out the application completely, sign, date, and return. If your children attend SPX School, we ask that you have them drop off the applications at the School Office. If not a SPXS student, return to Parish Office (can use mail slot) or you can drop in the collection basket (in an envelope labeled "St. Pius X Altar Server Ministry") at Mass.

May God bless your sacrifice and your support!

Your servants,

St. Pius X Altar Server Administration
